Have bunch of to-do's,
can't decide which one to
prioritise?

No worries, we have a
solution.

Sign up

don't want to create an account?,
then just create an guest account.

Guest

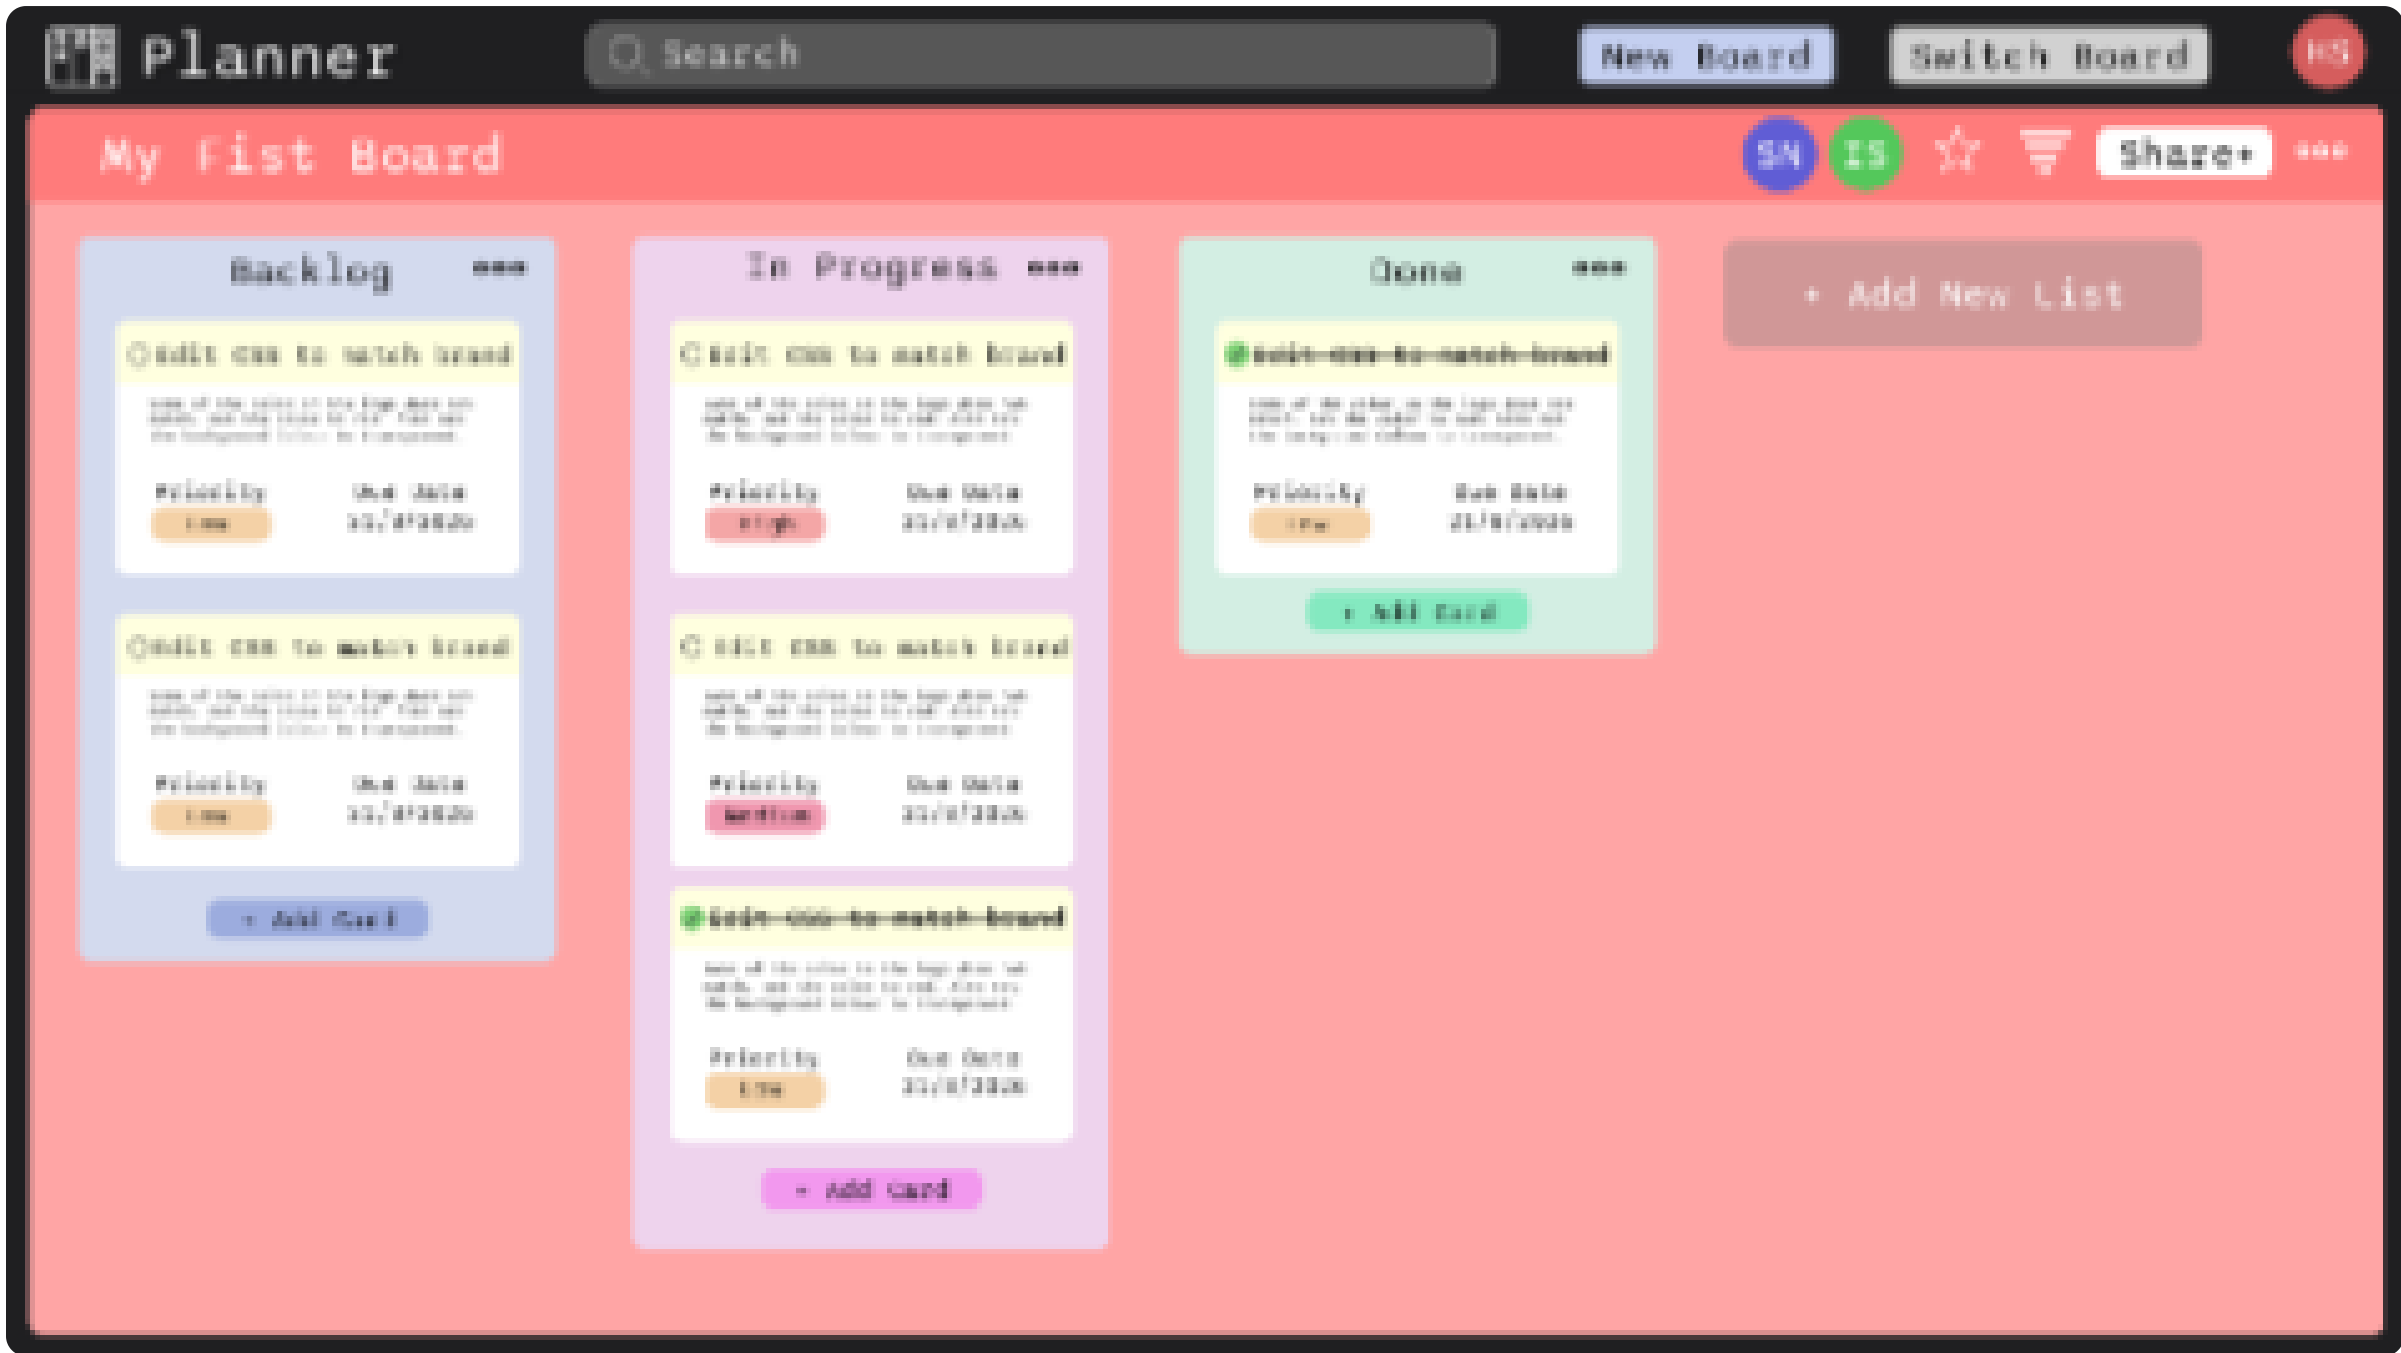

This is a demo web application, Please do not
enter any private or sensitive information. You
can explore the app using a Guest Account with
auto-generated sample data.

Please note that guest accounts are intended for
temporary use and are not retained for extended
periods.

What can I do?

- Manage To-Do's
- Multiple Projects
- Colaborate
- Customise

See all of of your to-do's of a project in one place, Drag and
drop to-do's from one category to another, Create new lists to
manage as the projects gets bigger.

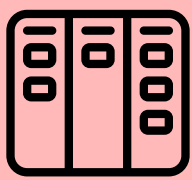

Start Your planning

Sign up

Signing up will allow you to invite
other members, so you can work
together on a project.

Or create a guest account to try the
planner without needing email, But you
won't be able to invite or collaborate
with other members.
